A LOCATION THAT NEEDS NO INTRODUCTION

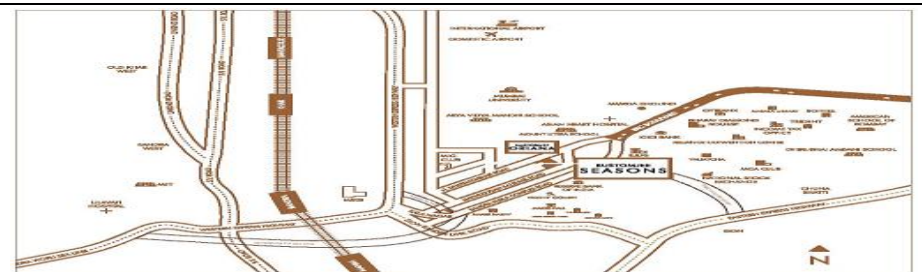

RUSTOMJEE SEASONS at the BKC Annexe, features bespoke residences designed by eminent architect Sanjay Puri. Spread across an expansive 4 acres, it invites you to a new kind of life. Where twelve - hour workdays still leave you with enough time for you. Where your interests don't take a backseat to your commitments. And where the phrase 'so much to do, so little time', takes on an entirely more pleasant meaning.
